

Il colore italiano dal 1831

1831

Il nuovo
sistema colore

Boero presenta
1831 - Il colore italiano

1391 colori selezionati su base
percettiva e catalogati attraverso una
struttura chiara e intuitiva.

Uno strumento **proprietario**, con
meccaniche di abbinamento semplici
ed efficaci, per guidare e trasformare
le idee in corrette ispirazioni
cromatiche. Un potente alleato
nell'ambito **dell'interior design**.

Il nuovo **SISTEMA COLORE 1831**, iconico e ispirazionale

TINTA

Le **tinte** della mazzetta 1831 sono 32.
Disposte in cerchio, si rincorrono
formando un continuum regolare.
Da queste, muovendosi sulle altre due
coordinate, **chiarezza** e **saturazione**,
si sviluppa un pari numero di piani di
tinta.

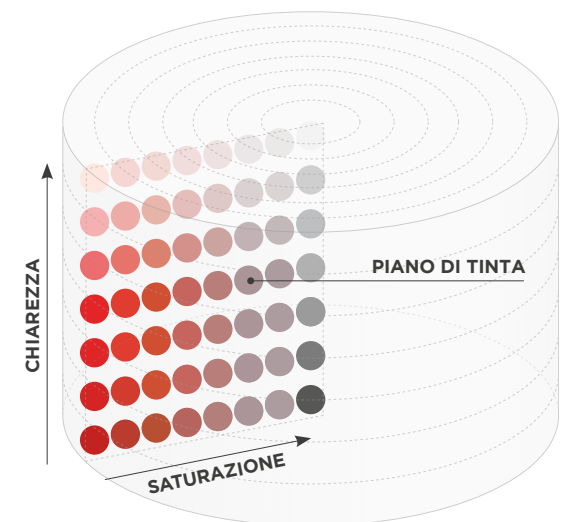

PIANO DI TINTA

Il **piano di tinta** è il percorso che una
tinta traccia muovendosi dalla sua
posizione sulla circonferenza esterna
del **cilindro cromatico** verso l'asse dei
grigi acromatici, disegnando un foglio
sviluppato sugli 8 gradi della
saturazione e sugli 8 gradi della
chiarezza.

I colori dei piani di tinta dal 29 al 12
possono essere considerati «i caldi»
e quelli dal 13 al 28 «i freddi».

La tinta numero 01 è un rosso: oltre alla
correttezza tecnica della scelta,
è un ulteriore omaggio al rosso Boero.

NOTA IMPORTANTE: la riproduzione a video delle tinte è da considerarsi puramente evocativa e indicativa e
può variare da dispositivo a dispositivo. Per una corretta visione, rivolgiti al tuo rivenditore partner Boero di
fiducia o, se sei un progettista, richiedi informazioni sulla mazzetta 1831 - Il colore italiano.
